HEAD TEACHER: [Mrs C.M. Connolly](#)

Dear Parent/Carers,

We have made some changes to our school already. We now have a dedicated ICT suite as well as a small number of laptops that are used in the classrooms. Due to the high level of damage to ICT equipment last year we will now have to be very strict about consequences for pupils who deliberately cause damage to ICT equipment.

From September 2018 onwards we will have to ask for the full cost of damage to ICT equipment to be paid to the school in cases of deliberate vandalism. We may also have to refer the incident to the police. Please can you talk to your child about the importance of respecting valuable equipment.

We are also introducing PE kits to our P.E lessons. Pupils will be expected to change into PE kits before lessons, showering facilities will not be available here at the school. Please can you supply your child with plain dark coloured track suit bottoms/shorts and a light coloured top and trainers.

I hope this letter has been useful and if you wish to discuss anything further, please don't hesitate to contact me on the number above.

Yours sincerely

C. Connolly
