- The media may take images of activities that show the establishment and children in a positive light, eg. sports activities, presentation day.
- Photographers acting on behalf of the school or RMBC may take images for use in displays, in publication or on a website.
- Embarrassing or distressing images will not be used. The images will not be associated with distressing or sensitive issues.
- The School will regularly review and delete unwanted material.

We would like your consent to take photos of your child, and use them in the ways described above. If you're not happy for us to do this, that's no problem – we will accommodate your preferences.
