Year 8 Curriculum Overview	Body Image Self Esteem	Careers and Finance	Racism, Diversity and Equality	First Aid- St Johns Ambulance	SRE - Gender, Consent, Contraception, and Pornography.	Climate Change and Our World
	Lesson Overview: How does self-esteem - help us achieve? Being a resilient pupil.	Lesson Overview: Careers focus - Communication skills Careers focus - Teamwork skills	Lesson Overview: Prejudice and discrimination - Racism	Lesson Overview: Basic First Aid Allergies Asthma	Lesson Overview: Safe sex - consent Safe sex- contraception	Lesson Overview: How can we care for the environment? Global warming. Climate protests.

	Self-confidence and goals.	Budgeting and spending	Prejudice and discrimination - Disability	Bleeding	Safe sex- Sexually transmitted infections.	Animal Rights.
	Body image - male focus	Income and expenditure	Prejudice and discrimination - religion	Choking	Safe sex - Sexting and image sharing dangers	Plastic Pollution.
	Body image - female focus	Tax and National Insurance	Discrimination teens and media	Head Injuries	Who are the LGBT community?	How can we shop ethically?
	Body image, media and eating disorders.	How is Tax spent?	Homophobia		Gender and Language.	

Year 8 Curriculum Outcomes	Body Image Self Esteem	Careers and Finance	Racism, Diversity and Equality	First Aid- St Johns Ambulance	SRE - Gender, Consent, Contraception, and Pornography.	Climate Change and Our World
	Students will be able to: Correctly identify ways students can help their self-esteem to improve and describe which piece of advice fits each case study.	Students will be able to: Describe visually new communication skills and demonstrate these skills through communicating with	Students will be able to: Correctly identify reasons why stereotypes are wrong and the idea of race is wrong.	Students will be able to: Carry out a primary survey. Place an unresponsive casualty, who is breathing normally,	Students will be able to: Correctly identify cases where consent has or has not been given. Describe the 'cup of tea' analogy and how	Students will be able to: Identify the main environmental issues the world faces, what causes them and what you can do to help prevent further damage.

	<p>Explain how a person could directly apply your advice to their personal situation using detailed examples.</p> <p>Analyse the root cause of each person's self-esteem and which piece of advice would be most and least useful to them explaining why you think this.</p> <p>Correctly identify coping strategies that could aid our resilience in stressful situations.</p> <p>Describe what each of the different coping strategies for resilience means.</p> <p>Explain how we can apply the different</p>	<p>a partner in front of the class.</p> <p>Explain the importance of particular communication skills and demonstrate new skills through communicating with a partner in front of the class.</p> <p>Analyse the short and long term benefits of mastering communication skills and demonstrate new devices through communicating with a partner in front of the class.</p> <p>Identify the challenges we face but also the benefits we reap by working as part of a team. Complete a task as a team successfully.</p>	<p>Describe how people gained different traits and characteristics and what this means about the human race.</p> <p>Explain why both stereotyping and being racist are not only cruel, but ridiculous as well as finer explanations about where the idea of 'race' came from.</p> <p>To explain how what the Equality Act of 2010 is, how the media can influence public views about disabled people and why disabled people feel they are stereotyped.</p> <p>To describe how the Equality Act helps disabled people and present a balanced</p>	<p>into the recovery position.</p> <p>Know when and how to deliver CPR to an unresponsive casualty who is not breathing normally.</p> <p>Know how to keep themselves and others safe.</p> <p>Recognise when someone is having an allergic reaction</p> <p>Help someone who is having an allergic reaction</p> <p>Know when to call an ambulance for someone who is having an allergic reaction</p> <p>Identify a casualty who is having an asthma attack.</p> <p>Provide first aid to a casualty who is having difficulty</p>	<p>it can be used to explain consent accurately.</p> <p>Explain whether consent has been given in particular situations and how you know this.</p> <p>Describe some ways we can protect ourselves against unsafe sex.</p> <p>Explain the pro's and con's of particular forms of contraceptives and where the best place would be for a teenager to get advice and contraception.</p> <p>Analyse where the incorrect myths about sex might come from and evaluate which type of contraception is best depending on a</p>	<p>Describe in detail the main environmental issues the world is facing, why some people are ignoring this and the different solutions that have been proposed.</p> <p>Explain the statistics behind environmental damage, analyse whether you are doing enough to help and if we all have a duty as global citizens to do more.</p> <p>Identify the effects of climate change and what global warming means in for our environment. Identify why progress is so slow in halting climate change.</p>
--	--	--	--	---	---	--

	<p>coping strategies throughout life to enable us to be resilient.</p> <p>Identify different confidence boosters and situations where they can be used.</p> <p>Describe how using these boosters can aid our achievement and how we can apply them to our own lives.</p> <p>Explain why we have chosen particular boosters to suit particular case studies and the role science plays in our confidence levels. Correctly identify the different concerns that males have about their body image.</p> <p>Describe the reasons why males</p>	<p>Describe how teamwork is a valuable life skill, especially when it comes to future employment. Effectively work as a team.</p> <p>Analyse why some find it hard to work as a team, focusing on consideration of others and diplomacy. Make an excellent contribution to your team by using new teamwork skills.</p> <p>Correctly identify situations where a person spending over their budget and where they could be saving.</p> <p>Describe ways we can sensibly manage our personal and household budgets and how we can save money.</p>	<p>argument about how the media influences public opinion</p> <p>To be able to assess the impact of the Equality Act and how media portrayal affects disabled people.</p> <p>Identify whether situations show religious prejudice or not.</p> <p>Describe your own opinions about freedom of speech and religious prejudice. Complete explanation task without using ideas sheet.</p> <p>Explain whether situations show religious prejudice, religious discrimination or religious ignorance. Analyse why such</p>	<p>breathing due to asthma.</p> <p>Know how and when to seek medical help for a casualty who is having an asthma attack.</p> <p>Describe the signs and symptoms of internal and external bleeding</p> <p>Assess and provide first aid to a casualty who is bleeding</p> <p>Seek medical help if required for a casualty who is bleeding</p> <p>Recognise when someone is choking</p> <p>Know how to give first aid to a casualty who is choking</p>	<p>person's circumstances.</p> <p>Identify the most common STIs and the best ways of preventing them.</p> <p>Describe the symptoms of the most common STIs and how we can protect ourselves from ever getting these diseases.</p> <p>Explain why using protection is so important and which method of protection best prevents each of the most common STIs.</p> <p>Identify the dangers of sexting and whether sexting case studies are committing criminal offenses or not.</p>	<p>Describe in detail issues our environment is facing and how climate change occurs. Describe what is being done by governments and how some are less keen to tackle the issue than others.</p> <p>Analyse what the main issues are that are stopping us from tackling climate change. Explain in detail why this is happening and how some governments are taking measures to stop this.</p> <p>Correctly identify the reasons for protesting against climate change. Also identify why some people are against the methods and some for them. Come to your own</p>
--	---	---	---	---	---	---

	<p>face these concerns what the statistics are telling us through creation of infographics.</p> <p>Explain the differences between male and female concerns and whether eating disorders are a significant issue for males as well as females.</p> <p>Correctly identify body image issues which affect males and females and explain why we shouldn't worry about how bodies are presented in the media</p> <p>Explain how media images are often unattainable and whether or not the situation is getting better or worse.</p>	<p>Explain the meaning of complex financial terms and create budgets to challenge your partner to save and borrow responsibly.</p> <p>Correctly identify situations where a person is likely to be refused or accepted for credit.</p> <p>Describe possible ways for us to avoid getting into debt and to ensure we keep our finances in credit and the dangers of high interest debits.</p> <p>Explain why certain people are refused credit, how debits aren't necessarily bad and the definition of interest free credit.</p>	<p>incidents still happen today.</p> <p>Describe how young people have been portrayed in the media, including when portrayal has been positive</p> <p>Explain why people may have negative ideas about young people</p> <p>Begin to analyse the effect that this is having on young people themselves</p> <p>Correctly identify countries where far more needs to be done to improve LGBT rights.</p> <p>Describe what is currently being done by activists and organisations and the progress they've made.</p>	<p>Be able to get help for a casualty who is choking</p> <p>To identify a minor and a severe head injury</p> <p>Be able to give first aid to a casualty who has a head injury</p> <p>Know how to call for help for a casualty who has a head injury</p>	<p>Describe the consequences of sexting and the legal consequences for those breaking the law.</p> <p>Explain both long and short term consequences of sexting and analyse why the age of consent for sex differs from consent to sexting.</p> <p>Correctly identify the different LGBTQAI identities and what the community want us to know about these.</p> <p>Describe the difference between these identities and use the new terms articulately and in the correct context.</p>	<p>conclusion about this.</p> <p>Describe in detail the reasons for protesting against climate change. Explain in detail why some people are against the methods and some for them, arriving at an informed conclusion.</p> <p>Explain whether it's the moral duty of everyone to protest against climate change and whether peaceful (non-disruptive) protest is enough under serious circumstances.</p> <p>Correctly identify arguments for animals rights and minimising our consumption of meat.</p>
--	--	--	--	---	--	--

	<p>Explain using precise source examples how media images are often unattainable, whether or not the situation is getting better or worse and evaluate whether there is more pressure on males or females.</p>	<p>Correctly identify the different items on a person's payslip and calculate some tax and national insurance contributions.</p>	<p>Explain the everyday issues the LGBT global community face and how they overcome them.</p>		<p>Explain the problems of gender stereotyping and why you can't always tell people's genders just by looking at them.</p>	<p>Explain why we need to consume less meat and your opinion on whether animals should have rights as well as the counter arguments.</p>
	<p>Correctly identify different eating disorders and their symptoms</p>	<p>Describe what NI and tax is spent on and explain whether or not you think the tax system is fair. Correctly match up the financial terms used so far.</p>			<p>Describe the difference between gender and sex and how everyone has different variants of sexual orientation, expression, gender and identity.</p>	<p>Explain articulately using new key terminology in the correct context the arguments and counter arguments for reducing meat consumption, analysing whether a meat tax should be introduced.</p>
<p>Describe possible ways for us to retain good mental and physical health to help prevent eating disorders developing</p>	<p>Explain why certain people have to pay more tax and calculate their additional contributions and student loans rates.</p>			<p>Explain the meaning of all of today's new key terms and use them and apply them correctly by teaching them to others.</p>	<p>Correctly identify and describe problems plastic pollution currently presents and how we can help waste minimalisation. Explain the main issues articulately using new key terminology and statistics. Describe</p>	
<p>Explain how keeping good mental health could help prevent eating disorders and how eating disorders can be treated.</p>	<p>Correctly identify public and private sector institutions and how they are funded. Describe how public money is divided</p>			<p>Analyse why some people still find some of the ideas about sex and gender controversial and explain the issues</p>		

		<p>into funding for essential services and how decisions are made about the allocation of funding.</p> <p>Explain how budgets are managed to make provision for welfare, health, the elderly and education.</p>			<p>non-cisgendered people may face today.</p>	<p>alternative solutions.</p> <p>Analyse why pollution is increasing from the developing world, the extent to which our individual actions can help and why plastic as a material is so problematic.</p> <p>Identify reasons why we should make ethical financial decisions</p> <p>Describe the conditions of sweatshop workers and how we can make more ethical financial decisions</p> <p>Explain meaning of social corporate responsibility and how a company can fail in this duty.</p>
<p>Year 8 Assessment</p>	<p>'I can statement grids'</p>	<p>'I can statement grids'</p>	<p>'I can statement grids'</p>	<p>'I can statement grids'</p>	<p>'I can statement grids'</p>	<p>'I can statement grids'</p>
